Whereas it has been reported by the Sub-Inspector of Police, Honnali, that the strained feelings continue to exist between the two parties of Lingayets at Arabagatta Village in Honnali Taluk regarding the temple dispute, that they have not effected compromise in spite of several opportunities given to both the parties and that the order passed under Section 144, Criminal Procedure Code may be continued for the period of two months with effect from 13th August 1954. As there is likelihood of breach of peace if the pujaries are allowed to worship.
